

# NATALIA MUZYKA

## UX DESIGNER

I'm a newbie UX designer, but I've just wrapped up my first project. During my work I utilize my psychological and PR background. My creativity and ability to think empathetically allow me to create products that not only meet users' needs, but also create satisfying and memorable experiences.

## IT PROJECT

### Product Page Redesign

[Link:https://www.behance.net/gallery/177371047/electro-Case-Study](https://www.behance.net/gallery/177371047/electro-Case-Study)  
The project entailed a complete redesign of the website for an electronics retail store. Following the redesign, the purchasing process was subjected to testing with the intended user base.
